PLEASE WRITE PLAINLY, WITH PENALTIES FOR FALSE STATEMENTS. Items must be answered in full. Where exact information is not known, approximate answer should be given. Data furnished should agree with the best knowledge and belief of informant. Underlining or quotation marks are not necessary. Use ditto marks only when they will not cause confusion. Do not abbreviate. Write out the full name of the month. Do not use figures. Physicians: please write the causes of death clearly and legibly. Cause of death should be certified in accordance with the International Classification of Diseases, Injuries and Causes of Death. Please report the correct age at last birthday in completed years. If the deceased was under one year old, report age in months, days, or hours. The space for "Length of stay" should be filled in for all deaths occurring in hospitals or institutions. The information requested under "Usual residence" is necessary for a correct report of the locality in which the person lived, whether or not he died there. The "Usual residence" is the place where he had lived for the previous six months or more. The "Usual occupation" entry should show what kind of work the person did during most of his working life, even though he may have been unemployed at the time of death. Indefinite terms, such as laborer, factory worker, clerk, etc., should not be used alone. The "Kind of business or industry" entry should show the name of the establishment in which the person worked, such as factory, store, farm, etc. Cause of death must be certified to the best knowledge and belief of the physician. Indefinite terms, such as heart failure, should not be used alone. Violent deaths must be reported immediately to the Coroner.
